

2015

THANK YOU TO THE WELLSBURG LIONS CLUB

The Lion's Club, with Paul Billiard as chairman of the Coat Drive, collected donations from area businesses to support this membership activity with a goal to provide coats, hats, and gloves for those children in all of the Brooke County Schools who may need the additional help during the winter months. The members began this effort four years ago wanting to give back to the community and participation has almost doubled. They also donate toys to all of the Head Start and Early Head Start children. Maria, Brooke 3 Head Start Pre-K teacher along with Amy, assistant teacher, have worked with the Lions Club since implementation of the project and shares it has been "amazing"! "And if there is a child who needs a little more like shoes, clothes, etc., they will provide it for them as well." Many thanks to the Wellsburg Lions Club and those businesses who offered their support as well.
