

26 Random Acts of KINDNESS

North Park I Pre-K

May 2014

Today, the children at North Park I Pre-K took a turn in the morning routine! The class decided they would complete 1 of their 26 random Acts of Kindness and do something KIND for Mr. Bruce, the bus driver!

Miss Nicole, teacher, shares that they have been teaching the children about random Acts of Kindness since just before the winter break. This is in Honor of the 26 victims of Sandy Hook. Aside from cleaning Mr. Bruce's bus, the children have made cards for local nursing homes, collected and delivered donations to the animal shelter, made pictures for the soup kitchen (which are on display!), made a book for Hines (Hope for Hines – hometown child battling cancer), just to name a few.
