Congratulations to Reba Stead
Family Resource Advocate
Recipient of the 2012
Deborah Doleski Allen Champion of Children Award (Early Childhood)

Reba was surrounded by her immediate family members and her Head Start family—both staff and those Head Start families whose lives she touches each day. It was evident as she received this honor during the Week Of the Young Child, of the relationships she has built with families and the support and care she has given each of them.

Pictured is Cheche Price, Education/Training Manager (left) who introduced Reba and presented her with her Award; and Marlene Midget, NPHS Executive Director.
