Additional Comments:
It was a wonderful time with the kids!
I didn't expect to enjoy the experience
as much as I did! It was great to see
the children interacting with each other.
And how very important keeping their schedule
is! I would love to do it again!

Brooke 2 Pre-K Collaborative Classroom – the teaching staff would like to share, “We have a strong family base, exciting student and parent interactions in and out of the classroom with excellent feedback from all those who get the opportunity to visit our site!” Thanks from the heart “shared cookie style”! Check out the immediate feedback request provided to parents to follow up with their visit. Great idea ladies! Contact Miss Gina and Miss Amy for details about this activity and how they get parents involved, 304.394.5362; or via email at brooke2@npheadstart.org.
