

Policy Council Flyer

Do you want to work alongside the management team when it comes to making decisions about your children's education?

Would you like a say in who will be working around your children?

Do you have questions about how funds are spent throughout the program?

If you answered YES to any of the above questions, I have great news for you.

THERE IS A WAY!!!!

You can come to participate in our monthly **Policy Council Meeting**.

During these meetings you will have the opportunity to voice your opinion and give your approvals on:

- Candidates for potential hire
 - Our grants
- Policies and procedures
 - And so much more

So come out, meet other parents, voice your opinion, help us decide what is best for your children.

Policy Council is usually held every third Wednesday of the month!

Starting at 10

Children are welcome!

Transportation is available if needed!

WHAT IS AN ADVISORY MEETING?

- **There are 3 different Advisory Committees: Education, Health and Family & Community Partnerships.**
- **Each individual Advisory Committee works to address issues related to that program area (Health, Education, or Family & Community Partnerships) and provides information/updates regarding community resources and/or programs related to the focus area.**
- **You don't need to be a Policy Council Representative or Alternate to attend an Advisory Meeting!**
- **These meetings are held 3 times per year – typically in October, January, and April.**
- **Your input is important to the NPHS program!!**

If you are interested in participating in any of the Advisory Committees, please contact your FRA/PE/SSS, or the Family & Community Partnerships Manager, Cheryl Santimarino, at 304-233-3290.
